

NOUNS- IDENTIFY THE NOUNS

Let's practice Identifying nouns. You and your partner try to find all of the nouns below.

Directions: Underline all of the nouns and place a "P" above them if they are proper. If done correctly, you should identify a total of 32 nouns. Maybe that's worth a raffle ticket? Pay attention, because as we check our work, if you catch an error, you could win the raffle ticket!

1. Brenda and Patti are members of the Randall High School volleyball team.
2. Both of the girls have played volleyball since the sixth grade. .
3. Brenda and Patti have been best friends since the first grade.
4. Their coach, Ms. Larkin, was a professional volleyball player for ten years.
5. She loves this sport so much that her enthusiasm is contagious.
6. Ms. Larkin has mandatory practice three times each week at Randall High School.
7. The girls are very tired after each practice session but have never missed one.
8. The team is excited, as they will be playing for the city championship next Thursday.
9. If they win, this would be the first time for Randall High School.
10. The team is already envisioning the trophy in their school.

Hint:

A noun is a person, place, thing, or idea. A common noun names something general, like *boy*, and a proper noun names something specific, like *Michael*. Proper nouns should begin with a capital letter.
